

Introducing a
new partnership

v partnership

...where good
taste meets
good health

Company Profile

FDYTrustHouse Services is a joint venture food service management company created in partnership by FDY, Inc., a leading, nationally-certified, 100% minority contract food service management company, and TrustHouse Services Group, Inc.

FDY, Inc. is owned and operated by Floyd D. Young and TrustHouse Services Group is a food service management holding company formed by industry legend Michael Bailey. The partnership combines the strengths of over 60 years of food service management expertise and tailors innovative, multi-cultural food service solutions that help clients meet their program needs.

About FDYTrustHouse Services

FDYTrustHouse Services is a sustainable lifestyle-driven food service management company. We utilize a restaurant-quality, healthy-living brand strategy that offers a unique multicultural focus to culinary development, strategic marketing solutions, and customer satisfaction.

Our Services

We provide on-site restaurants, cafes, and catering services for colleges and universities, private and public K-12 schools, businesses, and healthcare facilities across the United States. Our service hallmarks are attention to detail and program customization.

Our Advantage

- *Commitment to Sustainable and Healthy Food Practices*
- *Authentic Multicultural Dining Programs*
- *Technology-Driven and Lifestyle-Focused Marketing Strategies*
- *Customized Service and Client Partnerships*
- *Best-in-Class Resources to Exceed Client Expectations*

Our Unique Culinary Approach

FDYTrustHouse Services has developed authentic, multicultural menus and recipes that deliver on taste, utilizing ingredients and cooking techniques that promote a healthy, nutritional lifestyle. Our research-based culinary approach emphasizes health, nutrition, and enhanced lifestyle positioning - an effective balance between good taste and good health!

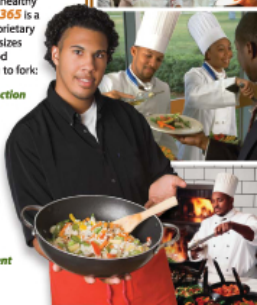

Our People

Our people are our greatest asset and they distinguish FDYTrustHouse Services. We believe that our employees, with their knowledge, dedication, and loyalty, are our most vital resource. Our team members are committed to a common goal
... **100% Customer Satisfaction.**

... an FDYTrustHouse Services initiative promoting a sustainable and nutritious food supply to support active and healthy lifestyles. **Sustain 365** is a compilation of proprietary brands that emphasizes sustainability in food practices from farm to fork:

- **Agriculture Production and Farming**
- **Processing and Packaging**
- **Distribution and Transportation**
- **Food Preparation**
- **Retailing and Food Safety**
- **Waste Management**
